

Maximum Fun at Minimum Cost How to Form and Operate a Successful Flying Club

AOPA's Jamie Beckett presents a free seminar designed to de-mystify the process of starting and running a successful flying club. Flying clubs offer an economical way to get into the air; come check it out and see if this may be for you! After lunch, Mike Zidziunas will explain Bahamas flying know-how!

Directions: Place a card or sheet of paper reading "AOPA" on your dashboard ahead of time; parking lot attendants at the venue will direct you to the appropriate parking area. Take Medulla Rd. to main Sun-n-Fun entrance gate. Head east ~0.2 mi to a left turn onto Sun-n-Fun Rd. Go another 0.2 mi to FAA Safety Center (now known as the Orlando FSDO Field Office). Plenty of parking is available on the west side of the building; enter along north side.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
